

## Version anglais de l'Atlas des bois tropicaux

### ABSTRACT

Support for the publication of the Tropical Timber Atlas in electronic form. This work is accompanied by the finalisation of the English translation of the book.

The activities programmed within the framework of this request are the following:

1. Detailed proofreading (and corresponding corrections) of the entire contents of the book (BioWooEB)
2. Final proofreading by the publisher (subcontracted by QUAE) and corrections of the last English translations of some peripheral parts of the book.
3. Edition of the e-pub version of the book.
4. After publication, organisation and management of the communication and information campaign on the publication of the book (QUAE + CIRAD).

The funding requested from the Foundation covers only point 3, i.e. the publication of the English version of the book. The cost of activities 1, 2, 4 is covered by CIRAD.
