Biodiversity friendly consumers' behavior

ABSTRACT

This small initiative is an embedded project between the existing PhD research project of the UMR Innovation, which is a part of Erasmus Mundus PhD program AgTrain.

Professor Maurizio Canavari will come for 3 visits to Montpellier each in the duration of one month: the first visit in June 2017, the second visit in the duration of one month in September 2017, and the third visit in December 2017 or January 2018 depending on the PhD defense of Ivana Radić. The first visit will be dedicated to the article co-publishing activities, the second to the joint post-doc proposal development, and the third to the thesis defense.
