

MMN

Madagascar Master Nutrition

ABSTRACT

The aim is, firstly, to adapt the teachings of our master the specificity of the Malagasy partner university. So this requires better knowledge the needs and specificities of each.
A second phase will be to implement these programs suitable to the partner university.
Finally, these actions can lead to open a continuing education component for teachers and professionals and also facilitate access to our laboratories to PhD co framing. These students being evaluated during the Masters, which will guarantee their quality.

Year : 2015

Project number : 1501-009

Type of funding : AAP FORMATION

Project type : AAP

Research units in the network : NUTRIPASS

Start date : 2016-05-01

End date : 2018-04-30

Flagship project : no

Project leader : Michel Larroque

Project leader's institution : UM

Project leader's RU : QUALISUD

Budget allocated : 20000 €

Total budget allocated (including co-financing) : 20000 €

Funding : Labex
