

Ad hoc support : HARLAN III

Third Jack R. Harlan International Symposium Dedicated to the Origins of Agriculture and the Domestication, Evolution, and Utilization of Genetic Resources

ABSTRACT

To organise a high-level conference on the history, conservation and use of genetic resources in a context of global change. To bring together between 250 and 320 participants, of which a significant proportion (around 50%) will be non-European, and to encourage interaction between these participants. To give a voice to young scientists and women scientists.

Year : 2018

Project number : 1800-006

Type of funding : SP

Project type : PC

Research units in the network :

Start date : 2018-02-15

End date : 2019-02-14

Flagship project : no

Project leader : Anne-Céline Thuillet

Project leader's institution : IRD

Project leader's RU : DIADE

Budget allocated : 10000 €

Total budget allocated (including co-financing) : 10000 €

Funding : Labex
